

RE and SMSC in Childwall CE Primary School

At Childwall C of E Primary School, Religious Education plays an important role, along with all other curriculum areas in promoting the spiritual, moral, social and cultural development of our children. It is distinctive because these four aspects of the school curriculum are inextricably rooted in the reality of God the Holy Trinity - Father, Son and Holy Spirit. Here in Childwall CE the Religious Education curriculum is the place where excellent and distinctive SMSC is seen most clearly.

Spiritual development within RE in Childwall enriches and encourages the pupils' discovery of God the creator, of their 'inmost being' and of the wonder of the environment.

Moral development is based on the teachings of Jesus Christ, which offer pupils a secure foundation stone on which to make decisions and build their lives.

Social development enriches pupils' understanding of what it means to live in a Christian community where Jesus' command to love one another is put into practice.

Cultural development provides opportunities to develop an understanding of Christianity as a worldwide, multi-cultural faith that has an impact on the lives of millions of people.
