Valuing all God's Children

In Childwall Church of England Primary School it is important that our PSHE curriculum is delivered within the Church of

England's vision for education. Through the delivery of our PSHE curriculum, children are taught to consider: wisdom, hope, dignity and community. The children will learn, as the Bible has taught us: 'to come what may have lived and live life to the full'-John 10:10-11. The children are encouraged to gain knowledge, understanding and empathy to become confident, caring and active members of society; 'Love your neighbour as yourself' Mark 12:31

In our school we teach for' life in all fullness' within contemporary society:

How can Valuing All God's Children be seen through the lens of the Church of England Vision for Education?

Pupils are taught how to protect themselves and others from bullying. To enjoy their own uniqueness and the uniqueness of others.

Pupils have the hope of being free to be themselves and can fulfil their potential without fear of being bullied.

Hope Hope in God's future for the world. Offering forgiveness,

Wisdom Growing in relational wisdom, love and compassion - as Jesus grew in wisdom. (Luke 2:40) overcoming suffering and the possibility of redemption and new life. (Isaiah 44:22)

Pupils understand how bullying effects people and the legal context of people's rights in this country. They learn how to navigate difference wisely and compassionately. They can discern when to stand up for justice.

Pupils are helped to work out how to live fulfilled, embodied lives: how to be happy with the skin they are in. They are also encouraged to celebrate the wonderful variety of different ways of being human.

Dignity

All are made in the image of God, and loved by God. Through the example of Jesus, all are called to live embodied, fulfilled human lives. (Genesis 1:27)

The marginalised and minorities need special and careful protection and nurturing as Jesus demonstrated through the attention he gave to the disadvantaged, excluded, despised and feared. This includes those susceptible to HBT bullying.

Life in all its fullness

John 10:10

Pupils who bully can be given opportunities to learn and be forgiven. All can go on confidently to serve and make a better, more caring and peaceful world.

Pupils are allowed to falter, to get things wrong and try again as they work out how to be in relationship with themselves and others. They see modelled a community of compassion that makes this possible.

Community

Love your neighbour as yourself. Jesus embodied the centrality of relationships - through which we learn who we are and our responsibility for others. (Hebrews 10:24)

Within a loving and hospitable community pupils can explore their identity without fear of harm, judgement or being ostracized.
